

# Fight flu

## Keep employees healthy this flu season

Seasonal flu is the reason behind 75 million sick days per year, costing employers over \$16 billion in lost productivity.\* That's why Quest Diagnostics offers flu shots in conjunction with onsite screenings in the fall. Flu vouchers for local retailers are also available.

### Prevent illness and increase productivity

By offering flu shots to your employees, you can:

- Provide a convenient way to get immunized
- Improve vaccination rates among your population
- Reduce the risk of absenteeism due to flu-related symptoms
